[Important Notice]

Warning Regarding Unofficial Website (nichiha.info)

Dear Valued Customers,

Thank you very much for your continued patronage of our products.

We have recently identified a website operating under the domain name "nichiha.info" in the Russian-speaking region.

Please be advised that this website is not operated by Nichiha Corporation (hereinafter referred to as "the Company"), and it has reproduced and utilized our company name, logo, and product information without our permission.

Accordingly, the Company assumes no responsibility or liability whatsoever for any product sales, solicitations, or information provided on the website in question.

We strongly advise our customers to exercise extreme caution and refrain from entering personal information or placing orders on such fake or unofficial websites.

For official international information and inquiries regarding our authorized distributors, please visit our official global website at "www.nichiha.co.jp/global/".

Sincerely,

June 2026
